

EUROPEAN RESEARCH COUNCIL GRANTS

for Top Researchers
from Anywhere in the World

WORKSHOP SOBRE RISCOS

HOW TO APPLY FOR AN EUROPEAN RESEARCH COUNCIL GRANT (NOT ONLY) IN THE SH7 MOBILITY, ENVIRONMENT, AND SPACE PANEL

Objective(s)

To introduce the European Research Council, the premier European funding organisation for excellent frontier research, and to encourage the participants to apply for an ERC research grant under one of the main grant schemes (Starting Grants, Consolidator Grants, Advanced Grants and Synergy Grants).

Duration

1:30

hours
minutes

11:00 to 12:30
25 of May 2023
FLUC, Coimbra

Description

The workshop will focus on i) the ERC “basics” – presentation of ERC calls, principles of the evaluation process and panel structure; ii) successful ERC grants in the area of risk related research, and iii) tips and tricks how to write your proposal.

Contents

- 1 – ERC and Horizon Europe
- 2 – ERC basics
- 3 – ERC calls
- 4 – ERC evaluation process
- 5 – Successful ERC projects
- 6 – Tips and tricks for proposal preparation

Target public:

Researchers from Physical Sciences and Engineering, Life Sciences and Social Sciences and Humanities

Speaker

Professor Jana Šifta
coordinator SH7: Human Mobility, Environment, and Space - European Research Council

Language

The workshop will be held in English and there will be no translation.

Practical Case

Tips and tricks for researchers drafting their ERC grant proposal – eligibility criteria, host institution support, choice of panel, choice of descriptors, difference between part B1 and B2, what to focus on when preparing for an interview etc.
